## AUTO CLUB HAS VERY BUSY MEETING

The Automobile Club of Hawaii held a busy meeting last night, which was well attended by the owners of automobiles. The club is out, among other things, for good roads, not only for autos but for the benefit of the general public. A committee will look into this subject and will report on where repairs and extensions are needed. The club members agreed that they would strictly abide by all ordinances which might be passed to regulate automobile traffic. It was also decided that wherever a machine was in distress no other auto should pass it without offering assistance. The following committees were appointed: Road Committee—J. A. McCandless, J. R. Galt and A. Garity. Grievances Committee—H. B. King, R. H. Trent and J. T. Werron. Education Committee—E. F. Bishop, Geo. P. Cooke and Willard E. Brown. This last committee will select topics for discussion at the monthly meetings of the club, and will also collect literature bearing on automobile for the formation of a library. Furthermore it will have charge of the setting out of a pamphlet which will contain the by-laws of the club, a list of its members, etc.

Walter Dillingham, who was given charge by the Promotion Committee of the 22d of February parade, gave notice that he had appointed the following committees: A. Garity—Bands, Police Department, Fire Department and Army and Navy. R. W. Shingle—Horses and Carriages. G. P. Wilder—Social Clubs, Japanese Marching Club, etc. R. H. Trent and J. R. Galt—Automobiles. A. F. Judd—Riders other than pa-u. F. Andrade—Pa-u riders. E. H. Paris—Bicycles. Walter G. Smith, Frank L. Hoogs and Wallace R. Farrington—Publicity. H. P. Wood—Secretary.

## CENTRAL UNION REPORTS

At the annual roll call meeting of the members of the Central Union church last night nearly four hundred responded. The gathering was held in the Sunday school rooms, and a feast of chowder was served. Many reports were read treating on the progress and success of the institution.

A delegation of boys from Mr. Rider's Kakaia mission were present and occupied a table by themselves, thoroughly enjoying the dinner to its full extent.

Mr. Hall, the church clerk, reported a slight loss of membership during the past year, the removals by letter being exceptionally large. The present membership is 294.

Mr. Shaw presented a report of the trustees, which showed an income of \$11,547.78 for the year just gone.

Tommy Burns, who rode in France last summer, will not return to America until the expiration of his contract with his French employer, two years hence.

There will be two alleys built of hard maple and finished in the best and most permanent shape. ## SPORTS

### TRACK CHAMPIONSHIPS

The annual championship field and track meet in the Boys' Field will be held at a meeting of the representatives of the city athletic associations yesterday afternoon, the meeting being held at the Y. M. C. A.

The adoption of the A. A. U. rules makes it necessary that a committee on eligibility be appointed to scan the list of entries for the various events this year, the names of Secretary Atkinson, W. T. Rawlins, F. L. Waldron and Mr. Williamson being suggested. These will be asked to serve.

It was decided to have the most exciting before the opening of the baseball season, March 23 being finally decided upon.

The program as decided will be: Track events—50-yard dash, 100-yard dash, 220-yard race, 440-yard race, 880-yard race, mile race, 120-yard low hurdle, half-mile relay and mile relay. Field events—Putting 12-pound shot, putting 16-pound shot, throwing 12-pound hammer, high jump, broad jump and pole vault.

A general committee of management, by which the different committees will be chosen, was elected, as follows: J. S. Reid for the Punahou, C. G. Livingston for the Kamehameha School, H. J. Auld for the Kamehameha Alumni, Dr. Hand for the Y. M. C. A., and E. H. Turner, as representing the Boys' School.

This committee will meet on Monday afternoon at the Y. M. C. A. to proceed with their arrangements for the meet.

### MAY NOT GO TO COAST

There seems to be a little hitch in regard to Barney Joy and En Sue, the two members of the H. A. C. ball team, who were desired by the San Francisco baseball team. No contract has been received for En Sue and it looks a little as if the Coast team was not in need of his services. In regard to Joy the contract has arrived but is hardly satisfactory in regard to one or two features.

The most important of these is in regard to steamer fare. It would be asking a good deal to have Joy make an excursion to San Francisco at his own expense and there was nothing in the contract which mentioned the paying of the fare by the Coast League people. Then, too, there was nothing in the contract which mentioned who should look after the expenses, such as hotel bills, etc., while the team was playing on the home grounds. The management of the San Francisco team has been written in regard to these two points and an answer is expected in the near future.

### BOWLING SOON

Within the next two or three weeks there should be a great revival in that best of all indoor games, bowling. The alleys which will be run in connection with the Hotel Bath should be finished in that time and many of the old-time bowlers are anxiously awaiting the day. There will be two games, the regular ten pins, with large balls and duck pins, to be rolled with the small balls. There will be no candle pins, as this game has gone out of favor in the West to such an extent that there is hardly an alley which uses the long peculiar shaped pin. The game is still a favorite in the East, particularly on the Atlantic coast, but has no standing in the West.

Among those who are interested in the game in this city are F. J. Cross, Ollie Sorenson, Bert Petrie, Lou Petrie, E. J. Lord, E. W. Campbell and E. H. Leonard.

There will be two alleys built of hard maple and finished in the best and most permanent shape. When they are completed, which will be as soon as five carpenters can get through the work, the start will be made, and it is dollars to doughnuts that there will be bowling tournaments galore in the near future.

### SPORTING GOSSIP

William Sutton has become the holder of the world's championship at 18.1 ballline billiards by a technically which acts as depriving Hoppe of that title. This peculiar turn of affairs has been brought about because of Hoppe's daily with the attractive offer he recently received from an academy in Amsterdam, Holland, and his failure to cover Sutton's challenge forfeit last Monday, according to the express stipulations of the rules governing the championship. As a result Sutton is now the world's champion at 18.1 and 18.2 ballline, and he is the first player to hold two such important titles at the same time in the history of the game.

As a partial reason for his contemplated forfeiture of the championship Hoppe said yesterday that he wished to go abroad so that he might take his sister, Vera, with him that she might cultivate her soprano voice.

Cincinnati, Dec. 29.—August Herrmann for president of the American Bowling Congress and Cincinnati for the 1930 convention. This will be the slogan of the Cincinnati bowlers. At a meeting of the City Association, which comprises more than a hundred clubs, it was agreed to present Mr. Herrmann as a candidate for the place. He has consented to make the race. The congress will hold its annual convention and tourney in St. Louis during the latter part of March.

It is altogether likely that an all-English crew will go to Jamestown Exposition next year to row all-Canadian and all-American crews, writes Richard Dahlgren, a well known English correspondent.

The project has not gone yet beyond talk, and it is altogether doubtful if it ever will get much beyond that point.

Warren E. Schutt, the old Cornell runner and now Rhodes scholar at Brunson college, Oxford, is home for the holidays, and has had a great deal of interest to say about English athletics as they pertain to university life.

In an interview which was published in the Cornell Daily Sun, he says: "Among American colleges Harvard is looked upon by Englishmen as heading the list in all athletics, and when the Harvard crew was defeated during the last season it was supposed that they were the champion oarsmen of America."

The possibility of arranging an international class meet or cross-country race, seems rather remote, he thinks. Discussing the matter of which team would be the probable winner in an international contest, Schutt is of the opinion that in a track meet the Americans would be the certain winners. In a cross-country race, however, he believes that the English runners would cross the line first. While confessing to the possibility of prejudice, the former Cornell runner gave his opinion that the English spirit of athletic training was far better than the American idea, largely through the fine preliminary training which boys in high schools receive.

Fighters of all ages and classes will take part in the benefit to be tendered the once great and ever-popular fighter, Terry McGovern, at Madison Square Garden, January 23. Terry will never be able to fight again, but the many friends the little fighter made during his career have decided to come to his rescue, and Sam Harris, his old-time manager, is engineering what is expected to be the most successful benefit that has ever been given for a fighter.

Toledo, Ohio, Dec. 29.—John L. Sullivan has accepted the Baltimore club's terms to box Kilrain and Mitchell four rounds each. Kid Cutler will wrestle Gotch.

Fred Taral, the leading jockey of Austria-Hungary, rode 83 winners in 317 races. Geza Janek, a Hungarian boy, is next, with 71 winners. Birkenruth, 53, and Huxtable, 48 winners, come next, leading Harry Lewis, who used to ride for Mr. Seagram, and whose score was 35 winners in 293 mounts. Lewis will ride in Germany next year.
